

MANUFACTURING PERFORMANCE MASTERCLASS

A date for your diary - don't miss this unique one-day conference for manufacturing and engineering professionals, featuring case studies and presentations by UK industry leaders focused on lean manufacturing and TPM techniques

Wednesday 17th September 2008

RBS Williams F1 Conference Centre, Oxford

A best-practice one-day seminar delivered by leading UK manufacturers and industry leaders, providing practical advice on how to enhance the effectiveness of your manufacturing plants and processes through Lean Manufacturing and TPM techniques.

*"Efficiency is doing **things right**; effectiveness is doing the **right things**."
Peter Drucker, Author*

Chaired by the eminent **Peter Willmott**, internationally renowned guru on world class lean manufacturing, the Masterclass includes a keynote presentation from Dr. Nick Rich of Cardiff University and presentations from senior professionals from the following well-known brands:

- Premier Foods
- Smith & Nephew
- Rolls-Royce
- Constellation Brands
- Carbon Trust

The Manufacturing Performance Masterclass is sponsored by Idhammar Systems Ltd.

Registration

The one-day event is priced at £320 + UK VAT per delegate.

This includes access to the conference, panel and one-to-one opportunities for discussion with our speakers, and a complimentary copy of “Lean TPM”, the book written by Dr. Nick Rich which normally retails at around £40.00

Refreshments and lunch will be provided along with the opportunity to tour the Williams F1 GP collection – featuring the Technology and Trophy rooms and an extensive display of the ultimate in race car manufacturing.

For early registration (prior to June 13th), please email:
